Changes made:

1. We split the Name in Person Entity into Last name and First name.
2. We have replaced Age in Person Entity by Birth date.
3. ProjectID has been removed from Client Entity.
4. The attributes AwardID and EmpID in Entity Employee Awards are made both PK and FK.
5. We have left Employee department as it is.
6. We have changed the relation between employee department and employee from one is to one to one is to many (i.e.) one department may have one or many employees.
